

OUR PEOPLE

You are here / Home / Careers / Our people

Our reputation and success is founded on the expertise, teamwork and commitment of our people.

We value all of our people and provide work and look for people with the skills us maintain our reputation and success our staff are among the best in private

Below, you'll find a taster of the kind of different areas of the hospital, you can now in each of these areas by visiting

Nursing

We have both generalist nursing jobs sisters and nurse practitioners as well everything from tissue viability to infecti

Allied health professionals

The diversity of our work means we are pharmacists, dieticians, radiographers

Healthcare assistants

We also employ fellows to cover specialist areas within the hospital such as oncology and paediatrics.

Management

We also publish available management roles that are available in the hospital.

Administrative services

Our talented administrative staff help keep our hospital running smoothly. Opportunities exist in a range of areas, including Human Resources, Finance, Marketing, Patient Relations and IT. We also recruit co-ordinators and secretaries for our specialist areas such as the Gamma Knife Centre.

Hospital Support

Our hospital support services are crucial in maintaining the standard of care we provide. These roles include housekeeping, catering, security and portering and play a vital part in to keeping things running smoothly.
