The Bupa Cromwell Hospital Paediatric Unit opened in 2000 to provide a caring environment for children and their families. It offers advanced clinical facilities and state-of-the-art surgical procedures.

Our centre comprises of three dedicated inpatient wards, an outpatient department, and a research laboratory.

Working within the Paediatric Centre you will join an enthusiastic team who are committed to providing the highest level of patient care. If you join our team you will be working with a team of consultants who are pioneers in their fields, and over 70 paediatric specialists drawn from teaching hospitals which provides us with a wealth of expertise. These include allergy, dermatology, ENT, plastic and reconstructive surgery. In addition, Clinical Fellows who focus on specific fields, and our resident Clinical Fellows and specialist teams will ensure that all patients receive timely and appropriate care.

Opportunity to work within a multi-disciplinary team consisting of doctors, nurses, physiotherapists, occupational therapists, and dieticians.

At Bupa Cromwell Hospital we pride ourselves on the education and development of our nurses who we feel play an essential role in developing clinical practice. We are committed to maintaining a highly motivated workforce where capability is maximised, people feel valued and supported as they strive to deliver excellence in patient care. You will be given varied access to learning opportunities while employed at the hospital and one of the work streams in our nursing strategy is devoted to development of staff.

This is an exciting time to join the hospital as Bupa has made a huge investment in a three-year redevelopment programme for the hospital. If you would like to make the journey with us to become London’s most advanced private hospital then view our current vacancies.
