Mr Simon Clarke, Consultant Paediatric Surgeon
Specialising in:
Minimal access surgery: Hernia (umbilical/inguinal), hydrocele, circumcision, undescended testis

Background information
Biography
Simon was trained in London, (Great Ormond Street, Chelsea and St George's) Oxford and Hong Kong. This involved extensive exposure to minimal access surgery. He has a busy practice in West London and specialises in surgery for procedures such as inguinal hernia but also gastro-oesophageal reflux and lower gastrointestinal condition.
