Nutrition and Dietetic Services

Bupa Cromwell Hospital offers a comprehensive nutrition and dietetic service for inpatients and outpatients, run by registered Dietitians.

Treatment

All of the Hospital’s specialties are covered by the dietetic team. Dietetic advice is provided for most conditions, for example:
- obesity (weight loss)
- diabetes
- high blood lipids (cholesterol)
- underweight / nutrition support
- gastro-intestinal disorders (e.g. IBS)
- all paediatric nutrition

Why choose Bupa Cromwell Hospital for nutrition and dietetics?

Bupa Cromwell Hospital offers a comprehensive nutrition and dietetic service for inpatients and outpatients. Our team of nutrition experts provide a tailored approach to dietetic needs, ensuring that patients receive the best possible care.

Outpatient clinic times

Paediatric outpatients
Tuesday and Thursday 11:00am - 3:00pm
Wednesday morning - Specialist Feeding Clinic

Adult outpatients
Monday - Friday 10:00am - 3:00pm

Making an appointment

For all adult appointments, a letter of referral from a GP or consultant will be required before an appointment can be made. Self-referrals are accepted for paediatric patients.

How do I pay for treatment?

The cost of this service varies. For patients with private medical insurance, payment will still be required which can then be claimed back from the insurance company. Alternatively, a payment plan can be arranged in advance where this is necessary.
